<b>Subject:</b>	Protest Against An Increase of 3.5% for the SSC
<b>Message:</b>	<p>With the County's unemployment rate estimated at 14.5%, many businesses and residents struggle to pay bills. I am writing to protest against an increase of 3.5% for the Sewer Service Charge. The District's rate model includes a "minimum" 40% of the Operating Fund for a reserve. Please consider changing it to "up to" 40%. This is the year to dip into the reserve and keep the rates unchanged. I also respectfully request the District to take a more thoughtful approach to set rates, including re-examining each rate development component. Last but not least, please formally adopt a set of meaningful fiscal policies to guide the District's financial operations. Thank you, 3005 Terrace View Ave Antioch</p>
