Preamble

This Memorandum of Understanding (MOU) is entered into by Delta Diablo (District) and Public Employees Union, Local One AFSCME Council 57 (Local One) for the Professional & Technical Representation Bargaining Unit.

Article 1 - Recognition

The District recognizes Local One as the exclusive representative for probationary, regular full-time, and regular part-time employees in the classifications listed in Appendix A.

Article 2 - Employee Rights

1. Annual Performance Evaluation

Performance evaluations will be completed annually, on or before the employee's anniversary date, as defined in Article 5, Section 3.

For probationary employees, the performance evaluation(s) will be completed before the employee's probationary period ends.

The performance evaluation will be completed by the employee's direct supervisor, and reviewed with the employee.

The performance appraisal will evaluate the employee's performance in the specific context of their job as well as their ability to work effectively within the work environment.

2. Vacant Job Openings

Vacant job postings are distributed to all employees through District email to allow employees the opportunity to apply for the posted vacancy. Once distributed, employees will have a minimum of two (2) weeks to apply for the posted vacancy. Employees who meet the minimum qualifications will be provided an opportunity to compete in the examination process. Employees who successfully pass the examination process (examination and/or panel interview) are placed on an Eligibility List. If at least three (3) employees are on the Eligibility List, the District must hire from the Eligibility List. Eligibility Lists are maintained for one (1) year unless there are less than three (3) remaining individuals on the list; the list may then be abolished at the District's discretion.

Article 3 - Management Rights

Local One recognizes that the District continues as the sole and exclusive manager of the District's facilities, having all of the power, rights, functions, and authority formerly or usually held by management, except to the extent these are limited by a specific expressed provision of this MOU.

This District may make unilateral changes that do not conflict with the express terms of

this MOU. As a courtesy, the District will submit such changes in writing to Local One prior to implementation.

Article 4 - Local One Rights

1. Dues

Upon certification from Local One that an employee has signed an authorization for the deduction of dues, the District makes payroll deductions in an amount to be determined by Local One and communicated to the District annually. The District promptly remits deductions to Local One. Employee requests to cancel membership dues deductions must be directed to Local One. Upon notification from Local One that an employee has canceled membership dues, the District will promptly cease dues deductions from the employee's paycheck. Local One must hold the District harmless from all claims and will indemnify it against any unusual costs in implementing these provisions, and must indemnify the District for any claims made by the employee for deductions made in reliance on that certification, in accordance with Government Code 1157.12(a).

2. Notice of Changes in Job Classifications

The District will provide notice to Local One regarding changes in job classifications or policy that fall within the scope of representation under the MMBA. Local One has fifteen (15) days to request a meet and confer. The District will endeavor to provide notice to Local One prior to implementation regarding changes that fall outside the scope of representation under the MMBA.

3. Unit Representation and Release Time

Local One will furnish the District with the names of all officers immediately after designation and at the beginning of each calendar year.

Local One may designate a member to serve as the Unit's Safety Representative of the District's facilities. Local One and the District agree to cooperate in the implementation and enforcement of safety rules and regulations per state and federal requirements.

The District recognizes designated employees who are Union Officers and can negotiate with them and/or the Local One Union Representative in all matters relating to grievances.

The officers of Local One, in addition to their regularly assigned duties, are allowed to conduct Local One business with the District and/or employees covered in all matters relating to this MOU, providing such activities do not interrupt or interfere with the work of the officers, other employees, or the District.

Release time from an employee's regular work schedule is permitted on District time as follows.

- A. General Meetings: Local One general meetings are limited to no more than one (1) meeting per each three (3) month period in non-negotiating years and to no

more than one (1) per month on District time during years when a new MOU is being negotiated. All meeting times will be approved by the General Manager or designee seventy-two (72) hours or a reasonable amount of time before the starting time and will not interrupt or interfere with the work of the officers, other employees, or the District. General meetings are limited to a maximum of one hour of District time.

- B. Executive Board Meetings: During non-negotiating years, the Local One Executive Board, composed of Union Officers, is permitted release time from each employee's regular work schedule, for up to four (4) meetings per year with a one (1) hour District time limit per meeting. During MOU negotiating years, the Local One Executive Board is allowed to meet once per month, with a one (1) hour District time limit per meeting. In months where negotiation meetings are scheduled, the Local One Executive Board is allowed to meet twice per month, with a one (1) hour District time limit per meeting. All meeting times will be approved by the General Manager or designee seventy-two (72) hours or a reasonable amount of time before the starting time and may not interrupt or interfere with the work of the officers, other employees, or the District. Should an issue arise that requires Local One Executive Board discussion, the District will make every effort to allow the scheduling of a meeting with sufficient advance notice.
- C. Employees who are Union Officers or appointed members of the Local One bargaining team shall be given reasonable time off with pay to formally meet and confer or consult with management representatives on matters within the scope of representation. Employees who are Union Officers shall be given reasonable time off with pay to be present at hearings where matters within the scope of representation are being considered, and to testify or appear as the designated representative of Local One in settlement conferences, hearings, or other proceedings before PERB, in matters relating to an unfair practice charge. All meeting times will be approved by the General Manager or designee seventy-two (72) hours or a reasonable amount of time before the starting time and may not interrupt or interfere with the work of the officers, other employees, or the District.

Time spent conducting Local One business outside of the employee's regular work schedule is not compensable.

Article 5 - Wages

1. Salary Increases

Effective the first full pay period following the Board's approval of a successor MOU in 2025, or the first full pay period following July 1, 2025, whichever is later, all classifications will be increased by the amount of the April-to-April, 12-month movement of the Consumer Price Index (CPI) for April 2025. The increase will be a minimum of three and one-half percent (3.5%) and a maximum of five percent (5.0%) across the board. The applicable CPI is the San Francisco/Bay Area, Wage Earners 1984=100.

Effective the first full pay period following July 1, 2026, all classifications will be increased

by the amount of the April-to-April, 12-month movement of the Consumer Price Index (CPI) for April 2026. The increase will be a minimum of three percent (3.0%) and a maximum of five percent (5.0%) across the board. The applicable CPI is the San Francisco/Bay Area, Wage Earners 1984=100.

The increase will be a minimum of three percent (3.0%) and a maximum of five percent (5.0%) across the board. The applicable CPI is the San Francisco/Bay Area, Wage Earners 1984=100.

2. Salary Schedule

The salary schedule consists of five (5) steps with five percent (5.0%) between steps.

3. Step Advancement

Employees will automatically receive an annual step advancement on their anniversary date, until they reach the top step of their salary schedule, unless they receive a performance evaluation prior to their anniversary date where the overall rating is equivalent to “does not meet expectations” or “needs improvement.” Anniversary date is defined as the employee’s date of hire or last date of promotion, whichever is later. An extension to the employee’s probationary period will not alter the employee’s anniversary date for the purpose of step advancement. However, an employee will not receive a step increase until they successfully complete the probationary period.

4. Overtime

Non-exempt employees required to work in excess of forty (40) hours in their designated seven-day work period will be compensated at the rate of one and one half (1.5) times their regular hourly rate of pay. All paid time counts for the purpose of calculating overtime. Employees are entitled to overtime compensation by payment or Compensatory Time Off (CTO) at the employee’s option.

5. Compensatory Time Off

Non-exempt employees may accrue up to eighty (80) hours of CTO. Employees may use CTO with prior supervisor/manager approval and the use of CTO may not create overtime.

All accrued CTO will be automatically cashed out at the end of the calendar year. Upon separation, employees are paid out for any remaining CTO hours at the higher of (1) the employee's final regular rate of pay, or (2) the employee's average regular rate of pay during the last three years of employment.

Effective the first full pay period following the Board's approval of a successor MOU in 2025, or the first full pay period following July 1, 2025, whichever is later, non-exempt employees will receive a one-time grant of forty (40) hours of CTO. The additional grant of 40 hours of CTO will not be subject to the 80-hour cap, and will not be subject to cash out at the end of the calendar year.

6. Double Time

Effective the first full pay period following the Board's approval of a successor MOU in 2025, or the first full pay period following July 1, 2025, whichever is later, employees required to work in excess of thirteen (13) hours in a day are compensated at the rate of two (2) times their regular hourly rate of pay for those hours in excess of thirteen (13) hours.

7. Work Periods

The District establishes working hours that are consistent with the operating requirements and responsibilities of the various divisions. Other work shifts, alternative work schedules, flextime, days, hours, and periods can be established and modified by the District within the limits prescribed by law, based on operating conditions and requirements of the District. If the job requires a change in clothing or uniform, and employees opt to change their uniform at work, they must arrive early enough to change before work begins. Employees are required to be at their assigned work location at their designated starting time.

The regular work period shall consist of a seven (7) day work period which begins Sunday morning at 12:00 a.m., and ends Saturday night at 11:59 p.m. Regular full-time employees will usually be assigned to work five (5) days served in units of eight (8) hours per day during the seven (7) day work period.

For employees on alternate work schedules, the regular work period shall consist of beginning and end times determined in accordance with the employee's regular schedule.

For employees assigned to work a 9/80 work schedule (with a regular day off every other week), each employee's designated seven (7) day work period shall begin exactly four (4) hours after the start of their eight (8) hour shift on the day of the week that corresponds to the employee's alternating regular day off, and end 168 hours later. The following is an example:

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
OFF	9	9	9	9	4 - END	OFF
					4 - START	
OFF	9	9	9	9	END/OFF	OFF
					START/OFF	

An employee's regular work schedule will not be changed without seven (7) calendar days' prior notice.

A workday in relation to holidays, military, jury duty, and other authorized leaves (excluding statutory California Bereavement Leave entitlement) are defined as eight-hour periods, and are credited at an hour per hour basis for each day allowed.

Article 6 - Other Pays

1. Longevity Pay

Upon completion of ten (10) consecutive years of service with the District, employees receive an additional two and a half percent (2.5%) of their base hourly rate of pay.

Upon completion of fifteen (15) consecutive years of service with the District, employees receive an additional two and a half percent (2.5%) of their base hourly rate of pay. The maximum longevity pay is five percent (5.0%).

2. Bilingual Pay

Effective the first full pay period following the Board's approval of a successor MOU in 2025, or the first full pay period following July 1, 2025, whichever is later, employees in the classifications of Administrative Assistant I, II, III, Construction Inspector, and Environmental Compliance Specialist I and II, who are routinely and consistently required to speak Spanish, Tagalog or Vietnamese, and who are able to do so fluently, will receive bilingual premium pay in the amount of fifty dollars (\$50.00) per pay period.

3. Temporary Upgrade Pay

Employees assigned by the Department Director to work and perform the full duties of a higher classification (Temporary Upgrade Pay) will receive the rate of pay the employee would have received if promoted, but not less than five percent (5.0%), not to exceed the top step of the salary schedule. Employees are not eligible to receive Temporary Upgrade Pay simultaneously with the Supervisor Premium or Out of Class Pay. To be eligible for Temporary Upgrade Pay, the employee must be relieved of their regular job duties during the assignment.

When assigned to temporarily fill a vacant position during recruitment for a permanent appointment, a temporary upgrade assignment will not exceed 960 hours in a fiscal year.

4. Supervisor Premium

Employees who are routinely and consistently assigned by the Department Director to supervisor or lead of a shift in the absence of a supervisor or lead will receive Supervisor Premium in the amount of five percent (5.0%) of their base hourly rate of pay for those hours worked as a supervisor or lead. Employees are not eligible to receive the Supervisor Premium simultaneously with the Temporary Upgrade Pay or Out of Class Pay.

5. Out-of-Class Pay

Employees who are assigned in writing by their Department Director to perform work outside of their classification will receive five percent (5.0%) of their base hourly rate of pay for those hours worked. Employees are not eligible to receive Out-of-Class Pay simultaneously with Temporary Upgrade Pay or the Supervisor Premium. During an out-of-class assignment, employees are required to continue to perform some or all of their regular duties in addition to the duties of the higher classification.

6. Call Back Pay

Employees called back to work receive a minimum of three (3) hours at their overtime rate or the actual time worked, whichever is greater. Call Back Pay begins when the employee leaves their location to return to the employee's primary work location (i.e., POC Building or TP Building). Employees on standby must respond within ten (10) minutes of receiving a call back request (e.g., verbal, voicemail).. Employees who are able to perform work remotely are paid for a minimum of thirty (30) minutes at their overtime rate per incident or actual time worked, whichever is greater. The employee must arrive at their primary work location within one (1) hour after it has been communicated and determined that onsite work is required.

7. Regular Standby Pay

Employees may be assigned regular standby for operational needs. Regular standby commences at 1700 of the last regular workday preceding the assignment and concludes at 0630 of the next regular workday after the assignment.

Employees will receive a minimum of five (5) calendar days of notice prior to scheduling or canceling any regular standby.

Employees on regular standby are compensated at the rate of one (1) hour at their base hourly rate of pay for each six (6) hours on standby.

8. Emergency Standby Pay

Employees may be assigned to standby on a recognized holiday or due to unanticipated operational incidents and emergencies that require a response with less than a week's notice. Employees on standby must respond within ten (10) minutes of receiving a message.

Employees on standby are compensated at the rate of one (1) hour at their base hourly rate of pay for each four (4) hours of standby.

9. Fatigue Time Pay

An employee receives fatigue time pay if they worked overtime and the overtime has been completed with less than eight (8) hours between the completion of the overtime and the start of the employee's next regularly scheduled shift.

An employee who is eligible for fatigue time pay is entitled to a minimum of eight (8) hours off work between the time that they leave work and when they report back to work. After the eight (8) hour rest period, the employee will report to work to complete the balance of their regular shift. The employee may request to use available vacation, floating holiday, or CTO in lieu of returning to work to complete the remaining hours of the day's regular shift.

If the termination of the employee's overtime shift occurs after the normal beginning of their regular shift, the employee will receive fatigue time pay at the straight time rate of pay in an amount equivalent to eight (8) hours or the hours remaining in their regular shift, whichever is less.

Employees do not receive fatigue time pay if:

1. Overtime is completed more than eight (8) hours prior to the start of their next regularly scheduled shift, or
2. Employee is called out within four (4) hours of the start of their next regularly scheduled shift.

In the case of a declared emergency, the eight (8) hour rest periods may be suspended for the duration of the emergency.

10. Meal Allowance

An employee who is scheduled to work an eight (8) or nine (9) hour shift, and works four (4) or more unplanned, continuous approved overtime hours contiguous to their regularly scheduled shift will be reimbursed up to twenty-five dollars (\$25.00) for the purchase of a meal (including delivery & gratuities).

An employee who works a 12-hour shift and works two (2) or more unplanned, continuous approved overtime hours contiguous to their regularly scheduled shift will be reimbursed up to twenty-five dollars (\$25.00) for the purchase of a meal (including delivery & gratuities).

Overtime hours will be considered unplanned if the employee receives notice the same day that the overtime is worked.

The District will endeavor to reimburse employees within thirty (30) days of submission of the employee's written request for reimbursement and copies of all receipts.

Article 7 - Health and Wellness

1. Medical Coverage

The District contracts for employee, dependents, and retirees and their dependents medical insurance benefit plans through the California Public Employees' Retirement System (CalPERS) Public Employees' Medical and Hospital Care Act (PEMHCA). Employee contributions are bi-weekly for the first two (2) pay periods of the month and are pre-tax.

Effective January 1, 2023, the District contributes up to the following amounts towards employee medical insurance coverage and cafeteria plan benefits:

Tier	Medical Benefit	Cafeteria Plan Benefit	Total Benefit
Employee only	Note 1	Note 2	Note 3
Employee plus one	Note 1	Note 2	Note 3
Employee plus family	Note 1	Note 2	Note 3

Note 1: The Medical Benefit are equal to the Minimum Employer Contribution (MEC) established annually by CalPERS.

Note 2: Cafeteria Plan Benefit is equal to the difference between the Medical Benefit and the Total Benefit

Note 3: The total benefit is equal to 100% of the Region 1 CalPERS Kaiser plan plus 100% of the dental premium.

Employees must enroll in the District's sponsored dental plan.

2. Vision Insurance

The District provides employees with a group vision care plan covering the employee, spouse, and eligible dependents.

3. Dental Insurance

The District's dental plan covers the employee, spouse, and eligible dependents.

4. Life Insurance

The District provides employees with a basic life insurance policy in the amount of their annual salary on January 1.

5. Long-Term Disability Insurance

The District provides employees with Long-Term Disability (LTD) insurance.

6. Employee Assistance Program

The District provides employees with an Employee Assistance Program (EAP).

7. Vaccinations and Immunizations

The District pays for all District required vaccinations and immunizations of employees.

8. Cash In-Lieu of Medical Insurance

Effective January 1, 2023, the District no longer offers medical in-lieu; however, any employee receiving medical in-lieu prior to January 1, 2023, will receive \$185.00 per pay period in lieu of medical insurance. If at any time the employee enrolls in District medical insurance, they will no longer be eligible for medical in-lieu.

Effective January 1, 2026, a new employee who opts out of District-provided medical insurance for themselves and all qualifying dependents at the time of hire, or an employee who opts out due to a qualifying life event, will receive one hundred eighty-five dollars (\$185.00) per pay period in-lieu of medical insurance.

If at any time the employee enrolls in District medical insurance, they are no longer eligible for cash in-lieu of medical insurance, even if they opt out of District-provided medical insurance again in the future.

In order to qualify for Cash-in-Lieu, an employee must provide reasonable evidence that the employee and the employee's Tax Family has minimum essential coverage through another group health insurance plan. A Tax Family is defined as all individuals for whom the employee reasonably expects to claim a personal exemption deduction for the applicable tax year. Such evidence may include an attestation by the employee, and must be renewed every calendar year.

9. Flexible Spending Accounts

Employees may contribute to a Flexible Spending Account (FSA) on a pre-tax basis to assist with the cost of medical/dental/vision expenses, deductibles, and co-payments.

10. Dependent Care Spending Plan

Employees may contribute to a Dependent Care Plan on a pre-tax basis to assist with the cost of eligible child or elder care expenses.

Article 8 - Catastrophic Leave Donations

Employees who have exhausted all paid leaves may request catastrophic leave donations through the District for a serious illness or injury to the employee or the employee's spouse or child. Employees may only donate accrued vacation and CTO hours to qualifying employees.

1. Eligibility

To be eligible for this benefit, the receiving employee must: (1) Be a regular full-time employee who has passed their initial District probationary period, (2) Have sustained a serious illness, or injury, to the employee or employee's spouse or child which requires confirmation by a physician, (3) Have exhausted all accumulated paid leave including

vacation, holiday, sick leave, and/or CTO, (4) Be unable to return to work for at least (30) calendar days from the date of injury, and (5) Have applied for a Leave of Absence Without Pay for medical reasons.

2. Donations

Employees who meet the eligibility requirements may request that the District solicit catastrophic leave donations from employees. The District will send the request for donations upon request, but no earlier than one week prior to the exhaustion of their paid leaves.

Accrued vacation leave and CTO may be donated by any regular full-time employee who has completed their initial District probationary period. The total amount of time donated to one employee by another employee may not exceed eighty (80) hours per calendar year.

Donations made by employees are forfeited once made. In the event that the receiving employee does not use all transferred leave for the catastrophic illness/injury, any balance will remain with that employee until that employee's separation from District service.

In accordance with IRS Ruling 90-20, leave donated is not considered wages for the employee who surrenders the leave and will therefore not be included in gross income or subject to withholding. An employee who donates leave incurs no deductible expense or loss either upon the donation or use by the recipient.

3. Benefit

Vacation and CTO hours donated by employees will be converted to sick leave and credited to the receiving employee's sick leave balance on an hour-for-hour basis and is paid at the rate of pay of the receiving employee. While an employee is on leave using donated hours, the employee may not accrue vacation or sick leave. The total leave received by an employee will not exceed six (6) months.

- B. For employees hired between December 31, 2008, and October 16, 2022, the District contributes four hundred dollars (\$400.00) per pay period into their MissionSquare Account.

Article 10 - Leaves

1. Vacation

Regular full-time employees may use earned vacation time after completing six (6) months of service. Upon hire, the General Manager may decide, in their sole discretion, to consider previous employment with the District or with an outside employer to establish the initial vacation accrual rate. Regular part-time employees receive a pro-rated vacation based on their full-time equivalency. Vacation is accrued bi-weekly in accordance with

the following schedule:

<u>Years of Service</u>	<u>Bi-weekly Accrual (hours)</u>
0 through 3	3.077
Beginning 4 th through 5 th	4.615
Beginning 6 th through 7 th	4.923
Beginning 8 th through 9 th	5.231
Beginning 10 th through 11 th	5.538
Beginning 12 th through 13 th	5.849
Beginning 14 th through 15 th	6.154
Beginning 16 th	6.462
Beginning 17 th	6.769
Beginning 18 th	7.077
Beginning 19 th	7.385
Beginning 20 th	7.692

The maximum annual carryover is 400 hours. Any hours earned in excess will be paid out in the final paycheck of the calendar year.

2. Emergency Vacation Usage

In the event of an emergency that prevents an employee from reporting to work, the employee may apply for “emergency vacation” leave. It will be at the discretion of the Division Manager/Supervisor to determine the validity of using emergency vacation on a case-by-case basis. The normal notification procedures are to be followed for call in.

Circumstances that are outside the control of the employee, which prevent the employee from reporting to work and are not medically related may qualify the individual for emergency vacation.

3. Holidays

The District recognizes the following eleven (11) holidays. Full-time employees receive eight (8) hours of pay per holiday.

- New Year’s Day
- President’s Day
- Martin Luther King Jr.’s Birthday
- Memorial Day
- Independence Day
- Labor Day
- Indigenous People’s Day
- Veterans Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Day

Regular part-time employees receive a pro-rated holiday pay based on their full-time

equivalency.

Employees who work on a District recognized holiday receive overtime in addition to the paid holiday.

If the holiday falls on a Saturday, then the holiday is observed on the preceding Friday. If the holiday falls on a Sunday, then the holiday is observed on the following Monday.

Employees receive twenty-four (24) hours of floating holiday annually on July 1 (Pro Rata). Floating holidays must be used each fiscal year or they are forfeited.

4. Sick Leave

a. Accrual

Employees earn 3.69 hours of sick leave per bi-weekly pay period for a total of ninety-six (96) hours per year.

Part-time employees who work thirty (30) or more days within a year from the commencement of employment with the District accrue sick leave on a pro-rated basis, which shall not be less than one (1) hour of sick leave earned for every thirty (30) hours worked. Accrued and unused sick leave carries over to the following year of employment but a part-time employee stops earning sick leave once they have accrued eighty (80) hours or ten (10) work days/shifts of such leave, whichever is greater.

Employees who retire within one hundred twenty (120) days of separation from the District will have unused sick leave credited toward service time in accordance with California Government Code Section 20965 (with 0.004 year of service credit for each unused day of sick leave certified by the District) and CalPERS regulations.

b. Usage

One half (1/2) of the employee's annual sick leave (48 hours) may be used each calendar year only in the case of:

1. Diagnosis, care, or treatment of an existing health condition of, or preventative care for the employee themselves or an immediate family member of the employee. Immediate family members are defined as parents, parents-in-law, grandparents, spouse, registered domestic partner, children of any age or dependency status, (including stepchildren and foster children), grandchildren, and siblings.
2. Diagnosis, care, or treatment of an existing health condition of, or preventative care for a "designated person." Employee designation of a "designated person" is limited to one "designated person" per 12-month period for paid sick days.

3. For an employee who is a victim of domestic violence, sexual assault, stalking, or other crime in order for the employee to engage in any of the following activities: (1) obtain or attempt to obtain a temporary restraining order or other court assistance to help ensure the health safety or welfare of the employee or their child; or (2) obtain medical attention or psychological counseling, services from a shelter, program or crisis center, or (3) participate in safety planning or other actions to increase safety.

The other half of the employee's annual sick leave may be used only in the case of sickness, disability, medical or dental care for the employee, or to attend to the health needs of an immediate family member.

If all accumulated sick leave is used, use of earned vacation time as sick leave is considered on a case-by-case basis, and requires supervisor's approval.

c. **Sick Leave Notification**

Employees are required to give notification of being unable to report to work because of illness, at least one (1) hour prior to Day Shift on normal workdays. This notification is to be given to the employee's immediate supervisor. If the immediate supervisor is not available, then the notice follows the chain of command.

Employees who are out of work due to a prolonged illness are required to contact their direct supervisor on a weekly basis providing status report on current condition, except as provided under the Family Medical Leave Act, California Family Rights Act and/or Pregnancy Disability Act.

In the event of an emergency, employees are to notify the District as soon as possible if they are unable to report to work. Failure to comply with the above will result in the denial of sick leave pay for the day on which notice is not given. Denial of sick leave does not preclude the District from taking further disciplinary action in the case of abuse of the sick leave benefit.

d. **Sick Leave Cash Out**

Employees may cash out sick leave hours up to a maximum cash out of forty (40) hours of sick leave per year, as long as a minimum of forty (40) hours remains in the employee's sick leave bank after the cash out. In order to cash out sick leave, employees must make an irrevocable election to cash out a specified amount of sick leave in the calendar year preceding the year in which the leave is cashed out. Only leave accrued during the year in which leave is cashed out may be cashed out. Pre-elected sick leave cash out will be paid out in the final paycheck of the calendar year.

e. **Modified Duty Assignment**

On a case-by-case basis, upon recommendation of an employee's immediate

supervisor or higher-level manager, the Human Resources and Risk Manager may authorize the modified employment of a rehabilitating injured employee who is temporarily restricted in ability to perform a full range of the essential functions of their job. Modified (light) duty, in which an employee performs only some of the essential functions of their job, or temporarily performs a different job, shall be distinguished from reasonable accommodation of a qualifying disability, in which an employee continues to perform the essential functions of their regular job with accommodation. Modified duty assignments may occur when a regular employee who has been injured on or off the job has been medically released for limited work based on specified restrictions. The District will require the disabled employee to provide the Human Resources and Risk Manager with the treating physician's statement of work restriction(s) or a status report specifying the employee's anticipated date of return to modified or full duty. Modified duty will be limited to three (3) months unless otherwise approved by the General Manager or designee.

The Human Resources and Risk Manager will notify the employee in writing after receipt of the treating physician's statement of work restriction(s) as to whether a modified duty assignment can be accommodated. Human Resources is the sole judge of what constitutes reasonable and available modified duty based on a case-by-case evaluation of such factors as the nature of the employee's disability and work restriction(s), availability and priority of modified duty work, budgetary circumstances, length of disability and the mutual welfare of the employee and District operations.

When an employee is assigned modified duty, the employee is compensated for hours worked at their regular rate of pay. If an employee is assigned to modified duty less than full-time, compensation for hours worked may be supplemented by either accrued sick leave, salary continuation, partial worker's compensation disability payments, or other available leave. Benefits will be pro-rated based on hours worked/paid. The District reserves the right to have employees examined by a designated District physician at no cost to the employee prior to authorizing modified duty. There is no limitation to modified duty hours worked, unless specifically designated in the physician's release. Employees who are found to abuse, or fraudulently use these temporary disability provisions may be subject to disciplinary action up to and including termination of employment.

f. Medical Provider's Release

If absence due to illness or injury exceeds five (5) scheduled working days, the District may, through the Human Resources Division, require a medical provider release upon the employee's return to work.

The District may require that employees to provide a medical certification to support any absence that involves the illness of the employee or family member if the District suspects that there is an abuse of sick leave by the employee. An employee who is found to have abused sick leave will be subject to discipline. All employees who use paid leave to address issues related to domestic violence,

sexual assault, stalking, or other crimes and who cannot provide advance notice of their need for leave must provide certification of the need for leave within a reasonable time thereafter.

In cases, where the District has cause to believe it would be in the employee's best interest, for reasons of health and safety, the District may require a Functional Capabilities Evaluation signed by the employee's treating physician or the District's Occupational Health Physician before the employee is allowed to resume full duties after an illness or injury.

In the event the employee is not able to have the Functional Capabilities Evaluation form completed immediately, the District will accept a less complete release signed by a medical provider for a period of five (5) calendar days to allow for the return of the Functional Capabilities Evaluation form.

g. Sick Leave Reinstatement

Employees who are rehired with the District within one (1) year of separation will have their sick leave balances restored.

5. Jury Duty

An employee who is subpoenaed for District-related activities to appear in court on matters that they are not a party to or are summoned for jury duty during working hours will receive time off with pay. Employees must report to work on days the employee is released from service at a time when it is feasible to report to work. Employees who receive a subpoena or jury summons must notify their supervisor within five (5) calendar days of receiving the notice and no later than ten (10) days in advance of their reporting date.

The employee must submit to their immediate supervisor a completed leave request form, with appropriate documentation that indicates the anticipated days required for attendance. A copy of the leave request form must be attached to the employee's time sheet for payment.

6. Bereavement Leave

In the event of an immediate family death, an employee may, after receiving approval, receive a bereavement leave with pay not to exceed twenty-four (24) hours. In addition, an employee may take an additional amount of unpaid leave to allow a total bereavement leave of forty (40) hours or five (5) work days, whichever is longer. During the unpaid portion of bereavement leave, an employee may use vacation, accrued and available sick leave, or compensatory time off. Employees may take bereavement leave on a non-consecutive basis in the three (3) months that follow that date of death of the immediate family member.

Immediate family includes the employee's spouse or registered domestic partner, child (including step/foster), parents (including stepparents), parent-in-law, siblings (including

step-siblings), grandparents (including step grandparents), and grandchildren (including step/foster grandchildren). An employee may also take paid or unpaid bereavement leave for a designated person. An employee may designate one person per twelve (12) month period to the Human Resources and Risk Manager.

Employees must secure verbal approval from their immediate supervisor prior to the requested leave and must submit a leave request form, for approval, prior to the requested leave date(s), or within three (3) working days following the employee's return to work. A copy of the approved leave request must be attached to the employee's time sheet for payment.

With approval of the employee's supervisor or Division Manager, accrued vacation, compensatory time off, or leave without pay may be used to attend the funeral of other family members or friends.

7. Administrative Leave

Exempt employees as designated in Appendix A, will receive forty (40) hours of Administrative Leave annually on July 1 (Pro Rata). Administrative Leave not used during the fiscal year is forfeited.

8. Unpaid Leave

Except where required by law (e.g., Family Medical Leave Act (FMLA), California Family Rights Act (CFRA), Pregnancy Disability Leave (PDL)), an employee on unpaid leave will not receive the District's contribution to medical, dental, vision benefits, or accruals of vacation and sick leave.

Employees are required to use all applicable, paid leave accruals before going into unpaid status.

To assure continued insurance coverage, premiums shall be paid by the employee to the District. The employee will be entitled to continued health coverage through the Consolidated Omnibus Budget Reconciliation Act (COBRA) Continuation Coverage and is responsible for making a timely election and paying the COBRA premiums.

A. State Disability Insurance (SDI) and Paid Family Leave (PFL)

If an employee is receiving SDI, PFL, or workers' compensation benefits, under no circumstance will the total, combined amount of integrated benefits and paid leave exceed one-hundred percent (100%) of the employee's regular biweekly wages.

For employees, full integration of paid leave (including vacation, sick leave, and leave donations) with SDI, PFL and workers compensation benefits is required, except where the employee is concurrently on designated Family Medical Leave. If an employee is concurrently on designated Family Medical Leave (FMLA/CFRA), the employee may elect to integrate paid leave with SDI/PFL benefits. If an employee on FMLA/CFRA elects to integrate paid leave with SDI/PFL, the employee is required to use a minimum of the amount of paid leave needed to

cover the employee's contribution toward group health insurance.

An employee will not use a combination of paid leave and unpaid leave to cover a full workday, full workweek, or full pay period absence, except in the following instances:

1. When an employee integrates paid leave with a wage replacement benefit, such as SDI/PFL; and
2. On the workday, or in the workweek or pay period in which the employee exhausts all paid leave, including leave donations.

In order to receive integrated paid leave, the employee will provide District with a copy of their SDI, PFL, Temporary Disability (TD) or Long-Term Disability (LTD) statement showing the amount of benefits and period of time for which the employee received SDI, PFL, TD or LTD benefits. The District will utilize the employee's statement as the basis for integration of paid leave. The District will subtract SDI, PFL, TD or LTD benefits paid to the employee from the employee's gross wages in a pay period, and then divide the remainder by the employee's current hourly rate, totaling the number of leave hours to be deducted from the employee's leave bank.

Article 11 - Miscellaneous

1. Tuition Reimbursement

Employees who are attending an accredited college and working towards the completion of an approved degree or certificate program may receive tuition reimbursement up to \$3,000.00 per fiscal year. Tuition reimbursement may only be used towards approved degrees or programs; the list of approved programs is maintained on the District's intranet. Tuition reimbursement may be used to cover the cost of tuition, fees, parking, supplies, and books. An employee must receive a letter grade of "C" or better, or "pass" if taken as pass/fail to be eligible for reimbursement.

Employees who wish to participate in the District's tuition reimbursement program must submit a proposed education plan signed by their college counselor to the Human Resources and Risk Manager for approval prior to enrollment.

Local One may submit degrees or certificate programs for consideration to the Human Resources and Risk Manager to be added to the list of approved degrees or programs. The request to add any degree or program must include the full college course outline and curriculum of the degree or program, all required classes, and an explanation of the benefit to the District. Local one will receive a response approving or denying the request within thirty (30) calendar days of submission of all required materials.

2. Certificate Renewal

Employees will be reimbursed for the cost of attaining mandatory and voluntary

certifications related to their employment with the District, including approved course reviews, application fees, and renewal certification costs provided the employee successfully pass the examination. Employees must receive prior approval from the Department Director to receive reimbursement. Employees who receive certification reimbursement or awards are responsible for keeping that certificate current.

3. Uniforms

The District furnishes work uniforms and laundering services for employees in the classifications of: Chemist I/II/III, Construction Inspector, Environmental Compliance Specialist I/II, Laboratory Technician, Maintenance Supervisor, Operations Supervisor, and Recycled Water Program Coordinator. These employees are issued uniforms and are required to wear them during working hours. For employees defined as classic by CalPERS, the District reports \$6.13 per pay period to CalPERS as the value of providing these uniforms.

4. Safety Glasses

Standard, non-prescription safety eyeglasses are provided to employees. Employees will only be reimbursed for one (1) pair of the cost of basic safety prescription lenses and frames up to two hundred seventy-five dollars (\$275.00) per fiscal year. Safety glasses must be compliant with ANSI Z87.1-2015 or the most recent ANSI standard. The District will replace safety glasses damaged or broken during the course of their work only in the event the employee has not been negligent.

5. Safety Shoes

The District provides employees upon hire and annually on July 1, reimbursement for the purchase of one pair of safety shoes, as well as laces and inserts, up to a total cost of two hundred fifty dollars (\$250.00) per year. Safety shoes must at a minimum be water-resistant and meet ASTM safety shoe requirements (currently ASTM F2413-18).

Article 12 - Deferred Compensation

Employees hired before July 1, 2012, will receive a matching contribution up to four percent (4.0%) into their 457(b) plan or 401(a) plan.

Employees hired after June 30, 2012, and employees hired on or after January 1, 2013, with reciprocity recognized under CalPERS will receive a matching contribution up to four percent (4.0%) plus an actuarially calculated additional Applicable Percentage contribution to their 401(a) plan. Applicable Percentage means the difference between the Employer Total Normal Cost percentages for each fiscal year for the 2.5% at age 55 and the 2.0% at age 55 formula, as actuarially determined annually by CalPERS. The Applicable Percentage will take effect annually on the first full pay period of the fiscal year.

Employees hired after December 31, 2012, without reciprocity recognized under

CalPERS will receive a matching contribution equal to 50% of their CalPERS employee member contribution, not to exceed four percent (4.0%) into their 401(a) plan.

Article 13 - Personnel Files

An employee or representative, on presentation of written authorization from the employee, has access to the employee's personnel file on request. The District will furnish the employee copies of all performance evaluation reports and letters of reprimand or warning prior to placement of such documents into the employee's personnel file. Employees are required to acknowledge the receipt of any document entered into their personnel file without prejudice to subsequent arguments concerning the contents of such documents.

An employee who disagrees with the contents of a letter of reprimand or warning, which is placed in the employee's personnel file, may submit a written response within thirty (30) calendar days and have such response placed in the employee's personnel file.

Counselling memoranda and written reprimands will be removed from the employee's personnel file three (3) years following the issuance, providing there has been no reoccurrence of discipline.

Article 14 - Disciplinary Procedure

1. Employee Representation

Employees may have a representative present at all stages of the disciplinary process if the representative is not a party to the action.

2. Progressive Discipline

The District applies the principle of progressive discipline where a disciplinary penalty will depend on multiple factors, including but not limited to the severity of the offense, recidivism, aggravating and/or mitigating circumstances and the employee's overall disciplinary history, if any. Disciplinary actions may be monetary and/or non-monetary. Examples of disciplinary action include, but are not limited to:

- Written Warnings

- Unpaid Suspensions

4. Notice

The employee and the employee's representative will be given written notice of proposed disciplinary action at least ten (10) calendar days prior to the date of the proposed disciplinary action.

Prior to the effective date of the disciplinary action that results in a pay reduction, unpaid suspension, demotion, or termination, the employee may request a Skelly meeting to discuss the proposed disciplinary action. The employee or their representative may respond to the proposed disciplinary action.

If the District decides to proceed with disciplinary action after the Skelly meeting, the Skelly Officer will prepare a Notice of Discipline including the facts, the discipline imposed, and the employee's appeal right.

5. Appeal

An employee or their representative may appeal reductions in pay, unpaid suspensions, demotions, or termination to an Administrative Law Judge by notifying the Human Resources and Risk Manager within ten (10) calendar days of the issuance of the Notice of Discipline by the Skelly Officer.

6. Hearing

The Human Resources and Risk Manager will be responsible for scheduling and notifying the employee about the time and place of the hearing, and notifying the Administrative Law Judge of the nature of the proceeding.

Unless otherwise stipulated, the hearing is closed to the public and conducted in an informal manner under the direction and authority of the Administrative Law Judge.

Employees called as witnesses serve without loss of pay.

Should an Administrative Law Judge require a court reporter; the District and Local One share the cost equally. The transcript of the hearing is a record of the proceedings for the purpose of any future judicial review.

7. Final Decision

Within forty-five (45) calendar days of the conclusion of the hearing, unless waived by the parties, the Administrative Law Judge will prepare the record of the hearing and will submit a written decision of findings of fact, rulings of law (if any), and an advisory decision to the General Manager. Copies will be sent to the parties. The General Manager will either accept or reject the Administrative Law Judge's decision and provide the employee and their representative the decision within ten (10) calendar days. The General Manager's decision is final.

Article 15 - Grievance Procedure

The purpose of this procedure is an orderly process for reviewing and resolving employee

grievances at the lowest possible administrative level in the shortest possible time.

1. Definitions

A grievance is a complaint of one or more employees or a dispute between Local One and the District involving the interpretation, application, or enforcement of the express terms of this Agreement.

A grievant is one (1) or more employees or Local one who submits a grievance.

Disciplinary actions of an employee will not be subject to the grievance procedure pursuant to this Article. Those matters are governed by the disciplinary procedures set forth in this Agreement.

The written grievance will include the following:

- a. A statement of the grievance clearly indicating the question raised by the grievance and the article(s) and section(s) of this Agreement.
- b. The remedy or correction requested.
- c. The grievance form must be signed and dated by the grievant.

2. Grievance Procedure Steps

Step 1

Within thirty (30) calendar days from the event giving rise to the grievance or from the date the employee could reasonably have expected to have had knowledge of such event, the grievant will file a formal written grievance with the employee's manager or designee. Within thirty (30) calendar days of the receipt of the grievance, the manager or designee will investigate the grievance and provide the grievant a written response.

Step 2

If the grievant is not satisfied with the Step 1 response, the grievant may, within thirty (30) calendar days file a written appeal to their Department Director. Within thirty (30) calendar days of the receipt of the grievance, the Department Director will investigate the grievance and provide the grievant a written response.

Step 3

If the grievant is not satisfied with the Step 2 response, Local One may, within thirty (30) calendar days' file and appeal to an arbitrator by notifying the Human Resources and Risk Manager in writing. The District will have thirty (30) calendar days to respond to the request. The parties may agree on an arbitrator, if they are unable to do so the Human Resources and Risk Manager will request a list of arbitrators from the State Mediation and Conciliation Services no more than thirty (30) calendar days from the District's response. The arbitrators must reside in Northern California and have public agency

experience. The parties will alternate striking names until one (1) arbitrator remains, the moving party strikes first.

3. Conduct of the Hearing

The Human Resources and Risk Manager will be responsible for scheduling and notification as to the time and place of the hearing, and of notifying the Arbitrator of the nature of the proceeding.

Unless otherwise stipulated, the hearing is closed to the public and conducted in an informal manner.

Employees called as witnesses serve without loss of pay.

An Arbitrator's decision may not alter any provisions of this MOU, any District ordinance or resolution, or any State or Federal law or regulation.

4. Costs

The cost of the Arbitrator and the list(s) from the State Mediation and Conciliation Service will be shared equally between the District and Local One. Should an Arbitrator require a court reporter, the parties share the cost equally. The transcript of the hearing is a record of the proceedings for the purpose of any future judicial review.

5. Final Decision

Within forty-five (45) calendar days of the conclusion of the hearing, unless waived by the parties, the Arbitrator will prepare the record of the hearing and will submit a written decision to the parties. The Arbitrator's decision is final.

Article 16 - Layoffs

1. Grounds for Layoff

Employee(s) may be laid off when the position is no longer necessary, for reasons of economy, lack of work, lack of funds, if the position can be consolidated with another position, or for such reason(s) that the District and/or Board of Directors deems sufficient for abolishing the position(s).

2. Layoff Procedure

When a reduction in work force becomes necessary, layoff(s) are accomplished by first determining the number of positions within each class that is reduced. Layoffs are determined by classification seniority, which is defined by time in class plus higher class(es) within the classification series. An employee who is being laid off has the option of bumping to a previously held position based on classification seniority. Laid off employees will be placed on a recall list for a period of two (2) years.

3. Recall Procedure

When a vacancy exists and employees are to be recalled, notice of the opening(s) will be sent to the last mailing address as furnished by the laid off employee. This recall notice must be by certified mail and the employee has twenty-one (21) days to accept the offer of reemployment from the postmark date on the recall notice. Employees are required to report to work within twenty-eight (28) days of the postmark date on the recall notice. Notices will also be sent via email to the employee's last known email address, and as a courtesy via email to the Professional and Technical Representation Bargaining Unit President. To expedite the recall, more than one employee may be notified of an opening, but priority will be given to the employee who was laid off last. Employees are allowed to decline a recall one (1) time during the duration of the recall list. Declining a second recall opportunity will permanently remove an employee from the recall list.

Article 17 - Probationary Period

New employees serve a probationary period of twelve (12) months (2,080 hours) of actual and continuous service. Employees promoted to a new position serve a probationary period of six (6) month (1,040 hours) of actual and continuous service.

The probationary period is part of the examination process and is used to determine whether work performance or work-related behavior meets the required standards of the position. The release from probation is not subject to appeal.

The probationary period is automatically extended by the length of consecutive or non-consecutive absence(s) of thirty (30) calendar days or more. The probationary period can also be extended by the District to enable the employee to obtain certification(s)/license(s) that are required in order to pass the probationary period, up to three (3) months for promoted employees and six (6) months for new hires. Probationary period extensions require full execution of the District's personnel action form.

The District will endeavor to provide probationary employees with quarterly evaluations.

Article 18 - No Strike – No Lockout

The purpose of this Article is to ensure that the Health and Safety of the public are not compromised due to a failure of District employee(s) to properly operate and maintain District facilities and equipment.

No employee will take part in or call any strike, work slowdown, stoppage, concerted interruption, or impeding of work. No officer or representative of Local One will authorize approve or sanction such activities. Local One is not liable for damages or violation by the employees of this Section if Local One does not authorize, approve, or sanction the activity constituting such violations; and if upon being notified by the employer of such activity, Local One promptly uses its best efforts to terminate the activity.

There will be no lockout by the employer during the life of this MOU.

Article 19 - Savings Clause

If any provision of this MOU should be held invalid by operation of law or any court of competent jurisdiction, the remainder of this MOU is not affected and remains in full force and effect. In the event of invalidation of any provision of this MOU, the parties will enter into negotiation through the meet and confer process, for the purpose of arriving at a mutually satisfactory replacement for such provision.

Article 20 - Retiree Health Funding Plan

The Delta Diablo Retiree Health Funding Plan, effective July 1, 2010, as amended by this MOU will remain in effect.

Article 21 - Term

This MOU is effective on July 1, 2025, and all remain in full force and effect until June 30, 2030. This MOU supersedes and replaces all previous obligations whether written, oral, expressed, or implied and may only be changed by mutual written agreement.
