Delta Diablo
Attn: Office Manager / Secretary to the Board

My intention was to attend the meeting on June 25th at 4:30 PM but because of the Covid-19 I imagine there will not be a public meeting.

I am protesting the annual increase which is more than my monthly water bill. I have worked union jobs all my work days and nowhere did I ever get the increases Delta Diablo gets. In fact I still work except for now with the virus so I'm on unemployment and you still want an increase. I realize it cost money to run the sewer service but many people can't even pay their water bills right now.

You'll probably increase any how but I am Protesting!
