DELIBERATION
None.

PRESENTATION AND REPORTS
Receive Audited Comprehensive Annual Financial Report (CAFR) and Memorandum on Internal Control for Fiscal Year Ended June 30, 2018

Ms. Margetich provided an overview of the annual audit process and stated the District has exceeded its traditional audit approach to increase transparency and provide greater context for the District’s financial documents to the public. The District will be applying for recognition under the Government Finance Officers Association (GFOA) Excellence in Financial Reporting Program. Ms. Margetich acknowledged the work of the Finance staff. She introduced the District’s auditor, Ms. Vicki Rodriguez (Partner, Maze & Associates).

Ms. Rodriguez reviewed key findings from the Fiscal Year 2017/2018 (FY17/18) financial audit. She noted the District continues to maintain a strong financial position and that there were no material weaknesses identified in the District’s internal controls. She highlighted a few opportunities for the District to strengthen internal controls and operating efficiency.
Ms. Rodriguez noted that the District’s net position as of June 30, 2018 is $158.7 million, a decrease of $7.4 million from last year, which is attributed to a $2.3 million increase from positive operating results and a $9.7 million decrease due to accounting restatements pertaining to Governmental Accounting Standards Board (GASB) 75 ($7.2 million decrease) and GASB 68 ($1.2 million increase), as well as the expensing of previously capitalized costs which resulted in a $3.7 million decrease.

Total revenue equaled $38.8 million, with service charges being the largest source of revenue at $32.4 million, an increase of 9.9% from the previous year. Total expenses in FY17/18 were $36.6 million, with Salary and Benefits being the largest expense at $18.6 million, which is attributed to salary increases due to cost of living adjustments, merit increases, and new hires, as well as an increase in health care and pension costs.

Ms. Rodriguez highlighted the net pension liability under GASB 68 is $17 million, net Other Post-Employment Benefits (OPEB) liability is $4.8 million under GASB 75, and the District has a OPEB trust fund balance of $13.4 million. Chair Glover commented that the District was proactive in addressing the OPEB issue. Ms. Rodriguez noted that the total net position was down slightly in 2018 due to restatements as part of GASB 75. Vice Chair Wright inquired regarding non-cash liabilities. Ms. Rodriguez explained that the non-cash liability is due over time and the current liabilities are normal for operations. She also stated the OPEB long-term obligations includes active and retired employees.

Chair Glover thanked Ms. Rodriguez for the report. Director Wright moved approval, seconded by Director Scales-Preston and by unanimous voice vote (Ayes: Glover, Scales-Preston, and Wright; Noes: None, Absent: None) the Board received and filed the Report.

**MANAGER COMMENTS**

Mr. De Lange provided an update on the cogeneration engine, which is used to produce biogas. He reported the engine was returned to service on January 3, 2019.

**DIRECTOR COMMENTS**

Vice Chair Wright wished everyone a Happy New Year. Chair Glover also wished everyone a Happy New Year. He commented that there are exciting things on the horizon at the District.

**CORRESPONDENCE**

The Board received and filed the report.

**CLOSED SESSION**

District Counsel announced that the Board would adjourn to Closed Session to discuss an employment discrimination matter. Closed session commenced at 5:42 pm and the meeting reconvened in Open Session at 6:18 pm. Chair Glover reported out of closed session stating there is nothing to report.
ADJOURNMENT
Chair Glover adjourned the meeting at 6:18 pm. The next regular meeting of the Board of Directors will be on Wednesday, February 13, 2019, at 4:30 pm.
